Scholarship Policy 2020-2021

Note

- 1) All scholarship candidates are to be selected and announced in September, at the beginning of the new academic year (with the exception of Admission Grants, International Student Scholarship, and Siblings' Scholarship).
- 2) The listed value of scholarships in this document applies only for one whole academic year (i.e. if a student is granted a 50% scholarship, 4,500,000 KRW will be deducted from the tuition each semester making a total of 9,000,000 KRW for the academic year, proportionate to the tuition fee paid).
- 3) All scholarships, excluding the Academic Merit Based Scholarship and bursary, are a one-time only grant for each student.
- 4) In the case of any student eligible for more than one type of scholarship, the student can only receive the scholarship with the highest value.
- 5) The type of scholarships available for March enrollers whose first academic year consists of three semesters (March, September, and March of the following year) are Chem²ath prize, admission grants, international student scholarships and siblings' scholarship. The total scholarship value will be divided across 3 semesters for March enrollers.
